COVID 19 – CHILDLINE 1098 Emergency Response: West Zone

CHILDLINE 1098, a 24-hour, emergency, toll-free, helpline for children in distress is facing unique challenges in the wake of COVID-19 pandemic. They are leaving no stone unturned to ensure safety and security of every child during the 21-day lockdown. All the CHILDLINE frontline workers are actively spreading awareness about the Corona virus and the importance of social distancing, as well as providing basic necessities, hygiene and precautionary resources to the children and the needy.
