APPLICATION FOR FIR — MOLESTATION & ASSAULT  
ON IVAN (5 years)

Sir,  
On 17 Nov 2024, I and my son IVAN (Russian citizen) went to our family farm in Temra, Bilaspur, Rampur (UP). At about 1700 hrs about 5 young men about 30 years old, surrounded my SUV & started threatening us & forcibly opening the doors. I called SI Amit Kumar & while speaking to him Gopi Jagroop & Ramprakash Pattn & Gopi Anupreet Pannu opened my SUV doors & squeezed the testicles of IVAN who started screaming in pain (audio recording on mobile). I narrated this to my wife NATALIA later in the night & she started crying in shock. I approached Rudra-Bilas Chowki & the police did not take my application.

Next day on 18 Nov 2024, these criminals broke my left window of SUV & stole Rs 41,000 + iPhone + iPad Air 2 & documents. When we went to PS Bilaspur, instead of filing FIR informed our whereabouts to the criminals who beat me & my worker (SURAJ). Medical was done at JL Nehru hospital, Rudrapur. SP Rampur ordered FIR on 21 Nov 2024. FIR No 0318.

Despite many trips to SP Rampur & DM Rampur, no action has been taken because these criminals are protected & nurtured by Sikh BJP MLA Baldev Anlakh who has multiple cases of land grabbing by his relatives & henchmen.

After all this suffering, me & my family are mentally tortured and is afraid to go my farm. My wife is depressed and has lost 10 kgs weight in the last 3 months because she decided to eat ONLY ONE MEAL A DAY AS PROTEST AGAINST POLICE INACTION, against these organised and powerful criminals.

Kindly you are requested to lodge an FIR in this incidents of molestation of my child ~~IMAN~~ who is Russian citizen of about 5 years age.

Yours sincerely,
