CHILDLINE Helpline Authority (1098)

Subject : Complaint Regarding Repeated Physical Harm to a Minor (5 years old child)
in the School.

Dear Sir/Madam,

I am presently residing at the aforementioned address. I am writing to report a deeply concerning incident involving a five-year-old LKG student at Vivegam Vidhya Bhavan Matric HR. Sec. School. Despite a prior complaint made through the (1098) Childline helpline on 17.12.2024 and assurances from the school principal that such an incident would not recur, the same student has once again been subjected to physical harm by an unauthorized individual within the school premises.

The details of the incidents are as follows:

- Child's Name : Lithun Kannan
- Father's Name : Ramesh Kannan
- Age : 5 years
- Class : LKG
- Date of First Incident : 17.12.2024
- Date of Second Incident : 03.04.2025
- Location : Vivegam Vidhya Bhavan Matric HR.Sec.School,
Nathakattu Pirivu, Vivegam Nagar,
Vempathi, Anthiyur - 638315
- Description of Incidents : A five-year-old LKG student who suffered physical harm at School. The child was hit with an object by an unauthorized individual within the school / class premises, which raises serious concerns about the safety and security measures in place.

This incident has caused significant distress to the child and my family. It is alarming that an unauthorized person was able to access the school / class premises and harm a student. Such negligence is unacceptable and requires immediate action to ensure the safety of all children.

This repeated failure to ensure the safety of the child is unacceptable and raises serious concerns about the school's security measures. It is imperative that immediate action is taken to address this issue and prevent further harm to the child or any other students.

I kindly request the Childline Helpline to:

1. Conduct a thorough investigation into the repeated incidents.
2. Take appropriate legal action against the responsible individual(s).
3. Ensure the school implements effective security protocols to prevent such occurrences in the future.

Please let me know if any additional information or documentation is required to assist in the investigation. I trust that Childline Helpline will take swift and decisive action to address this matter.

Thank you for your attention to this urgent issue.
