Dear Sir/Madam,

I am writing to report a serious and ongoing case of suspected child labor at a residence in Hyderabad, Telangana.

As an Indian citizen currently residing in Canada, I have observed—through personal visits and updates from trusted sources in the area—that a minor girl, estimated to be **under 15 years of age**, is working daily as a domestic maid at the following address:

Address:
1-39-1/4, Shankar Nagar, Chandanagar, R.R. District, Hyderabad – 500050

She typically arrives at around **6:00 AM IST** and leaves by **10:30 or 11:00 AM IST**, performing daily household chores such as sweeping and cleaning. This has been happening for approximately the last **12 months**.

Key Points:

- **Estimated Age of the Girl:** Below 15 years

- **Nature of Work:** Household labor

- **Timings:** 6:00 AM – 10:30/11:00 AM IST daily

- **Duration:** Ongoing for the past year

- **Full Family Involvement:** I believe **all family members at this address are involved** in assigning and making the child work.

Important Request:

I suspect the family may **falsely claim the girl is older than she actually is**. I strongly urge your team to **not rely solely on verbal statements or documents** they may produce. Please conduct an **independent medical age assessment** to verify the child's true age before any conclusions are drawn.

Confidentiality:

I respectfully request that **my identity be kept completely confidential**, as the individual and family involved are known to **intimidate and trouble others in the colony**. My intention is only to protect the child.

Evidence:

To support this report, **I am attaching photos** I took during my visit to India that clearly show the girl working at the residence.

I sincerely hope your team will investigate this matter urgently and act in accordance with child protection laws in India.

Thank you for your time and your commitment to child welfare.

Warm regards,
Arun kumar Rapolu
