Respected Sir/Madam,

I am writing to report a serious case of child labour involving two minor girls at a private hostel in Patna, Bihar. I request that this matter be treated with urgency and confidentiality, as I prefer to remain anonymous for personal safety reasons.

### Case Details:

- Name of one child: Lucky
- Name of the second child\*: Unknown
- Estimated Age of both\*: Between 10–14 years
- Nature of Exploitation\*: Both girls are reportedly engaged in continuous domestic work, including cleaning, cooking, and other chores, with no access to education or rest.

### Location of Incident:

Mary Girls Hostel  
Near Sharan House, Wholesale Gali  
Nageshwar Colony, Patna, Bihar – 800001

### Name of Hostel Owner (Employer):

Ms. Sana (as per local sources) – reportedly known for her exploitative and harsh treatment of the children.

This appears to be a clear violation of child protection laws, and I urge you to initiate a swift rescue operation in coordination with local authorities. The physical and emotional well-being of these girls is at risk, and immediate intervention is critical.

I would appreciate it if you could keep me informed, via this email, once any action is taken in this regard.

Thank you for your continued efforts in safeguarding the rights of children.

Sincerely,  
A concerned citizen
