

I Tharuk. P aged 16 yrs, I am for the past 5 years rescuing abandoned and injured dogs around my residence, offering them proper treatment and safety from their traumatized condition with my mother's help. In this regard my mother was served with notice from the Greater Chennai Corporation and was instructed to reply for the same regarding cleanliness and licence within 3 days of receiving the notice, for which she promptly replied through Postal department. Even then, there was an outburst on 20.09.2025 at 11.45 am at my residence with people claiming to be from Greater Chennai Corporation, one Dr. Kamal Hussain, Veterinary Officer, Greater Chennai Corporation, Mr. Raju, Inspector of Police and 15 more people. The so claimed corporation people and police people around 10 in number barged into my house unauthorised and without any details of the complaint and claimed to have come to take the dogs. I, informed the officials that my mother has already responded to the notice that was served on 17.09.2025 by 19.09.2025 and is waiting for the reply. Despite of my persistent pleas, for reasons unknown I was brutally manhandled by the police people and dragged out on to the road, and then hauled into a police jeep parked a few meters away from my residence. The police officials did not produce any legal documents that favoured the brutal act displayed by them. My phone was snatched away from me when I tried to contact my father when I was detained in the police jeep. This brutal behaviour by the police personal left me completely baffled and drained. I would like to lodge a complaint against Dr. Kamal Hussain, Veterinary Officer, Greater Chennai Corporation and Mr. Raju, Inspector of Police, for ill-treating me and instructing policemen to detain me in a police vehicle without any proper arrest warrant. Kindly do the needful and see to it that justice is served.

Thanking You,  
Yours Faithfully  
Tharuk. P
