Subject: Complaint regarding
physical assault on a minor and
damage to property

Respected Sir/Madam,

I am writing this complaint to bring
to your kind notice an incident
involving **physical assault on a
minor child** and property damage,
which occurred at my own home.

On 04-01-2026, at around 4-5 pm,
Ms. Anandita Saksena, residing at
C 11 Rajendra Park Mahaveer

Nagar, came to my house and **physically assaulted a minor child(me)** aged **16**. During the incident, she caused an **injury on the child's hand**, resulting in a **cut caused by a sharp object/shard**. The child was visibly hurt and distressed.

In addition to this, the said lady also **damaged household property**, including more than 4 expensive flower pots and a charger, causing both emotional distress and financial loss.

The incident is extremely concerning as it involves **violence against a minor**, which is a serious

offence under Indian law. Such actions pose a threat to the safety and well-being of the child and other household members.

I would like you to **register a complaint**, take appropriate **legal action** against the accused, and ensure the **safety of the minor child** and our family. I am ready to cooperate fully with the investigation and can provide **medical reports, photographs, or witness statements** if required.

I request you to treat this matter as urgent.

Thanking you.

Yours sincerely,
